NCOAE Equipment List Pacific Northwest – Whitewater Adventure Teen Leadership Expedition

The National Center for Outdoor & Adventure Education (NCOAE) equipment list of required and optional gear will help you decide what to bring and what not to bring on your NCOAE adventure.

When it comes to outdoor equipment, there's no need to go all out and buy every piece of fancy gear. Remember you will be carrying everything you bring with you on your trip – PLUS some of the food and some of the group gear. Consider what you can do without. If you don't need something, don't bring it!

You can save money too using the gear provided by NCOAE and by purchasing many items from the athletic clothing, sporting goods, and camping sections at your local discount store, such as Target or Wal-Mart. Athletic clothing is usually synthetic and works well for camping.

- If you have questions about gear you already own, send us an e-mail or call and we will assess its suitability for the environment where it will be used. We might suggest that you return your grandfather's heavy cotton sleeping bag to the garage and use a lightweight, synthetic version instead.
 Any gear you bring must meet NCOAE's standards.
- If you prefer to purchase all of your gear that's fine too, but if you're not sure you'll ever use that \$400 internal frame backpack or sleeping bag again, we recommend using the gear provided by NCOAE, which is especially selected to meet the needs of our trips.
- Please do not pack jeans or jean shorts. If you have a choice, please pack non-cotton clothing. Mesh or synthetic clothing dries quickest and therefore is the best option while backpacking.
- Do not bring any technology (i.e. cell phones, tablets or MP3 players).

If you have any questions or concerns about purchasing specific equipment please contact NCOAE Headquarters for assistance. Items listed below with an asterisk (*) indicate NCOAE has a limited amount of extra equipment available for students use, on an as needed basis.

Comments, questions, concerns... Call NCOAE Headquarters Monday through Friday between the hours of 8:30 am – 4:30 pm EST at (910) 399-8090.
