NORTH CAROLINA – Teen Leadership Expedition

Whitewater Adventure

The setting for this adventure is the New River which flows along the base of the Blue Ridge Mountains. Learn the basics of kayaking and whitewater paddling, as you travel along one of the oldest river in the world!

- ▶ **Day 1: Your trip begins here at The National Center for Outdoor & Adventure Education (NCOAE) in Wilmington, North Carolina.** You'll meet the other participants, then begin with an orientation, teambuilding, kayak paddling ground school, expedition planning, and outdoor skills activities.
- ▶ **Day 2: Travel to the New River.** The real fun begins when your group hits the water! You'll paddle to your campsite, then learn about campsite setup, water purification, Leave No Trace, knots, and more. Then, enjoy dinner and s'mores before lights out after our first day of expeditionary travel.
- ▶ **Day 3–5: Multi-day river trip.** Practice your paddling skills and learn the basics of river ecology, as you travel along an iconic North Carolina river. Navigate your kayaks downstream, as you discover how to read the currents of the river and participate in training on swift water rescue techniques. You'll camp along the river each night and learn backcountry camping skills, including map & compass navigation, plant and animal identification, stove use, and backcountry cooking — eating tasty food we prepare ourselves.
- ▶ **Day 6: After a hearty breakfast, you'll paddle a short distance to the take-out.** After leaving the river, your group will return to the NCOAE's basecamp to clean-up, then enjoy dinner, showers, a campfire, and lawn games.
- ▶ **Day 7: Closing Circle and departure.** We'll come together one last time to celebrate our individual and group accomplishments during a one-of-a-kind closing circle. Then, after good-byes depart Wilmington, NC for home.
